

Artist Statement Explained

7th Grade Science

Purpose: Your artist statement communicates through words the message of your art piece.

The artist statement clearly outlines your reason for creating the art and what you hope people will walk away with. In addition, the artist statement provides you a chance to demonstrate deep understanding of the topic!

Your Challenge: Create an artist statement that supports your side from the reading and your own research. Remember: Multiple examples to support your claim. Your product and artist statement must connect to our community and have the capacity to lead to future questions or research.

Driving Question: How might the mystery of Easter Island impact the decisions we make today?

Must Haves: What must be included in my artist statement?

1. Title of Art
2. Your Name
3. Your Side
4. Multiple Examples
5. Explanation of Art

* Please feel free to be creative on how you weave together the above requirements!
