Class Title: Watercolor Avatar: Create Your Own Adorable Profile Picture
Class Description
In this class, you will learn to create an adorable avatar with watercolors. I will guide you through the process from a photo to a watercolor illustration step by step. Including all the materials required, sketching from a photo, face proportion, basic color mixing, basic techniques for applying watercolors, and some bonus tips. If you are a beginner and are not familiar with watercolor characters, a small avatar like this is a great way to start your human figure paintings. At the end of this class, you will have a super cute watercolor avatar hand-painted by yourself! Can't wait? Let's dive in! :)
