

Located on the Grand Pequot Concourse, Gordon Ramsay Health Kitchen joins Foxwoods' impressive collection of global dining options to serve guests with the famous chef's famous dishes. The restaurant has a chef's counter and a dedicated 40-seat private dining room and offers seating for nearly 260 customers. This is Gordon Ramsay Health Kitchen's sixth location in the United States, adding to the legacy of the culinary empire.

"We're incredibly excited about the grand opening of Gordon Ramsay Health Kitchen at Foxwoods Resort Casino," said Jason Guillot, president and CEO of Foxwoods Resort Casino. "This partnership with one of the world's most famous chefs reinforces our commitment to providing an unparalleled experience for our precious guests. We welcome guests, food enthusiasts and fans of hit shows to experience the energy, sophistication and exceptional cuisine Health Kitchen brings to the property." [홀짝게임](#)

A new restaurant in Foxwoods transports customers from the moment they step into the heart of HELL'S KITCHIN, immersing them in a special dining experience that combines the energy and excitement of a bustling kitchen with the relaxed elegance of high-end cuisine. The menu showcases the show's iconic classic arrangements, including mouth-watering Beef Wellington and generous Sticky Toffee Pudding, with a variety of wines, handcrafted cocktails, and thoughtfully curated beer and spirits.

"We are very excited to open the doors of Hells Kitchen at the Foxwood Resort Casino," said Chef Gordon Ramsay. "In addition to being the sixth location of this amazing concept, being in Foxwood means it will be a destination for guests across the Northeast."
