Essay

Please write (no word minimum/maximum) in response to these prompts:

- Describe your experience with rabbits.
- Why would you like to be Rabbit Prince/Princess?
- If you win, how will you use your position?

You may write one full essay with each prompt included, or one short essay per prompt.

Rules

If you are to be chosen as the Rabbit Prince/Princess, you agree to:

- Represent both Columbiana County's rabbit raisers and the BFFC by attending fairs, rabbit shows, parades, festivals, 4-H/FFA events, and more. **You must attend a minimum of FIVE events.**
- In addition to these events, you will make an effort to come up with additional plans and ideas unique to you.
- Not use cigarettes, vapes, alcohol, drugs, or any other addictive/dangerous products at ANY TIME during your reign.
- Be a good influence to all youth. No foul language, gossiping, or sparking drama while wearing your crown and sash.
- You may serve as royalty for another organization (4-H Royal Court, Johnny Appleseed, other species royalty) as long as you still meet the requirements of five events.
