

## Verbo Parent Consent Form

### About Verbo

Verbo is an award-winning online toolkit created by NHS Speech and Language Therapists. It helps staff support children and young people to develop their communication skills, including:

- Attention and listening
- Understanding and using language
- Vocabulary
- Social skills
- Managing emotions
- Independence

Staff use Verbo's training, activities, and tools to support children within lessons, small groups, and play.

For some children needing additional support, Verbo's screening tools may be used to set targets and plan activities tailored to their needs.

---

### Parent/Carer Access **(only add if you want to give parents access)**

With your permission, we can create a **parent/carver Verbo account** for you. This will allow you to:

- View your child's communication targets
- Access activities and resources to use at home
- Share updates on your child's progress
- Receive suggested activities to support learning
- 

All information will be stored securely and handled in line with school confidentiality and data protection policies.
