

# ACS 11 Countries of Africa Poster Project

Student Name: \_\_\_\_\_

Each student will choose a different country for this project. There are two parts to the project. Your chosen country is \_\_\_\_\_

## Part A Written Report

Includes: Cover page, copy of research notes, four typed or neatly written pages followed by a bibliography showing sources used.

- **See graphic organizer for information** to be included on your four pages:
- Relative description of location within Africa
- Land- area in square kilometers
- Terrain: the geography of the country including any major rivers, mountains, desert area, forest ect.
- Capital city
- Population
- Language (colonized and others)
- Brief summary of religious history
- Flags: colors
- Brief summary of colonized history
- Official currency compared to USD
- Brief summary of resources IE: Cash crops, imports / exports (what product is the country known for?)
- Brief summary of at least one major city
- Brief summary of that countries culture IE: food, games, education, music and traditional clothing
- Brief summary of something the country is famous for. IE famous people, event, ect.
- Bibliography

Be prepared to give a brief presentation about the country you chose to the rest of the class. Please make sure your bibliography is **properly** formatted to APA style. See class web page for example.

## Part B Mini Poster

On a piece of white paper print or draw and color the map of your country in the center of the poster:

Then add the following information to the poster

The **name** of the country in bold lettering

A **map** of the country with the capital city clearly labeled

The **flag** of the country "show colors"

Briefly describe at least five **points of interest** about the country

You should include **pictures** and captions to enhance your display.
