Spirit Disclaimer: This message from Spirit is delivered to you as a direct write with no human editing. Spirit's guidance can move beyond the mere black and white written words that appear on this page. Be mindful not to make this message fit but rather open your heart to hear the translation, to feel YOUR true translation.

As you read, working to find lighted clarity, be open that their guidance may not be intended for this very instance....keep your heart open as it is the holder of YOUR truths. The truths that the universe is speaking directly to.

Trust that when the truth emerges you will feel light and peaceful, for *If it's Light it's Right*™
