

AiA Mini-Grant Developing Ideas

DATE

Team Name: \_\_\_\_\_

Team Members: \_\_\_\_\_

Campuses: \_\_\_\_\_

Research Question
The research question should address the way that academic libraries contribute to student success, retention, equity, enrollment, careers, or other measurable values
Project Ideas:

Assessment Methods
The plan for assessment should include such measures as tests, rubrics, surveys, focus groups or use of data.
Project Ideas:

Institutional Priorities
The research proposal should demonstrate knowledge of campus priorities and ways that research could aid problems that are related to those priorities
Project Ideas:

Collaborative Element(s)
Explain how your work will strengthen collaborative relationships with other higher education stakeholders
Project Ideas:
