Star Student of the month:
Ashley

For being such a good student
and making everyone feel
welcome.

This month is going to be full of learning about animals and fun facts. So if your child would like to bring a stuffed animal and their favorite animal book that is great, but they will all be assigned a day. If you could see to it that they don't bring their animals until their day that would help me out a lot. If for some reason they need to bring it please contact me my info is at the bottom of the page.

Change these **Content/ heading/ logo** and customise it with your content. Enjoy!
