

Concessions Frequently Asked Questions

How do I sign up to work concessions?

You will get the first choice to sign up for your own sport.

You will receive an email or call from the concession manager to see if you can staff the concession stand.

We will try to publish each of the games a week in advance so that you have time to find volunteers.

Example:

- Softball has a home game, softball boosters can choose to staff concessions.
- If softball cannot staff concessions, clubs who do not have conventional concession access (ie. Golf, tennis etc.) will be asked if they can staff.
- If a club is unable to fill the spot we will move down the list of other sport boosters until we find one that can staff the event.
- We will rotate these other teams around to give everyone a fair shot at running concessions.

What if my sport doesn't host games (example: POM or beach volleyball)? You will be put into the rotation to work special events. You will be contacted by the concessions manager for these events.

How much does our Sport's booster make for running concessions?

80% of the profits that you make during the event, minus the cost of goods sold, will go to your team's booster club, while 20% will go to the EHA ABS Booster.

Can students run the concession stand?

Yes! We ask that there is at least 1 adult in the concession stand at all times, but it is encouraged that the team members run concessions when possible.

Do we need to provide our own snacks for the concession stand?

No, this is taken care of by the school booster club. If we run out of any particular item we ask that you text or email;

Bianca Dippong (602-312-7943 / ehsabc.concessions@gmail.com)

To inform one of her that we have run out so that more can be ordered.

What if my sport signed up for concessions and we could not find volunteers or are unable to make it?

Please let Bianca know **immediately** so that we can find another sport to staff the event. If you do not give at least 72 hours' notice you will forfeit any remaining concession days for the season.
