Part 3 –**顕現**– ~*Incarnation*~

In These High Heavens Effloresces a Bouquet —×— Scattered

Scene 1

(Riri awakens in a completely different portion of the island, having been blown away by the Negative Magie storm.)

Riri:	“...Huh? What just.... Onee-sama...?” <i>*Riri is quickly approached by Kanaho*</i>
Kanaho:	“Oh, Riri-san. Thank goodness you’re awake.”
Riri:	“Kanaho-sama... and also...” <i>*Following Kanaho are Yuujia, Shenlin and Suzume*</i>
Kanaho:	“It seems that the storm spread us all completely apart.”
Riri:	“No way, it was actually that strong?”
Kanaho:	“Well, it’d be much easier to show you.” <i>*Kanaho points Riri to the place where they’ve been fighting previously, and there, she spots a Huge seemingly consisting of a merger between the Juggernaut and the three Gigants.*</i>
Riri:	“Oh God... please tell me that isn’t the Ultra-class Huge the Chairwoman warned us about!”
Kanaho:	“I’m sorry, we couldn’t stop it.”

Shenlin:	“It is strange, I should point out.”
Yuujia:	“Right...”
Shenlin:	“Size wise, it is certainly massive, but only to the degree of regular Gigant-class Huge. To me, it appears way too small for an actual Ultra.”
Kanaho:	“I’ve been bothered by that very thought.”
Suzume:	“I think... that what we’re seeing is only a part of it”
Shenlin:	“A part of it, you say...?” <i>*The ground begins to rumble all across the island*</i>
Yuujia:	“Another earthquake!?”
Kanaho:	“It’s almost as if it’s rising... that can’t be good! We have to get away from here!” <i>*The Lilies fall back, and just then, several Huge-like appendages emerge from the ground across the entire island*</i>
Yuujia:	“What are those!? They’re shooting up everywhere!”
Riri:	“Are those Huge!?”
Suzume:	“They’re also part of the Ultra!”
Riri:	“What!?”
Shenlin:	“You mean to say all these Huge-like things coming from the ground are different parts of the Ultra’s body...?”
Yuujia:	“But that’d mean its body extends underneath the entire island! Are you really sure about that?”
Suzume:	“I can feel it, deep beneath us, the same sensation I get from looking at that portion of it...” “You see, I was actually an experiment subject in a GEHENA maritime facility with deep ties to the TIL, so it may be because of that.”
Riri:	“The TIL!? So you’re like Tazusa-san...?”

Suzume:	<p>“Tazusa...san?”</p> <p><i>*The Huge parts attempt to attack the group*</i></p>
Kanaho:	<p>“That conversation can wait. Right now, we must focus on finding all the others.”</p>
Yuujia:	<p>“But our comms don’t work, and we have all these Huge around us now...”</p> <p><i>*Shenlin opens fire against the Huge appendages, but they’re unharmed*</i></p>
Shenlin:	<p>“With them actually being part of the Ultra itself, fighting them conventionally is not on the table for us.”</p> <p><i>*Kanaho then strikes the Huge parts shot by Shenlin, and they seem to wither away*</i></p>
Kanaho:	<p>“That does not mean they’re invincible!”</p>
Shenlin:	<p>“You always impress me, Kanaho-sama.”</p>
Kanaho:	<p>“It might take us a while, but we really don’t have a choice other than trying to find the others ourselves.”</p>
Shenlin:	<p>“I agree. Then we should make haste, I believe we’ve stayed here long enough.”</p>
Yuujia:	<p>“Yeah.”</p> <p><i>*Yuujia, Shenlin and Suzume rush ahead*</i></p>
Riri:	<p>“.....”</p>
Kanaho:	<p>“Riri-san?”</p>
Riri:	<p>“I could feel that something was wrong... I knew we were in danger, and yet I... I didn’t react as fast as I should have...”</p>
Kanaho:	<p>“In these circumstances, I couldn’t blame you for that. Besides, it won’t do us any good to mull over what’s past.”</p> <p>“It’ll be fine. I’m confident all the others are all right.”</p>
Shenlin:	<p>“Riri-san, Kanaho-sama! The Huge are preying on the locals!”</p>
Kanaho:	<p>“Not on my watch! Riri-san, let’s go!”</p>

Riri:	“Okay!”
<p><u>Scene 2</u></p> <p>(In an urban portion of the island, another group of Lilies fights against the Ultra-class’ protruding limbs.)</p>	
Shin:	<p>“All yours, Yuyu!”</p> <p><i>*Yuyu slashes down a handful of the Ultra’s parts*</i></p>
Yuyu:	“They’re certainly not your usual Huge, but they’re not altogether unbeatable.”
Shin:	“True! But I ain’t ever seen these lads before.”
	<i>*At the same time, Haruna and Kureha fend off the Soldier Ants still remaining*</i>
Haruna:	“Good one! Kureha, this is our chance!”
Kureha:	“Got it! Everyone, please come this way! We’re not too far from the port, so hold on just a little longer!”
Yahiro:	“Those two fight the Soldier Ants so naturally, and what’s more, they’re handling evacuations so smoothly. I’m really glad to have them around.”
Yuyu:	“I wouldn’t expect any less from the Lilies who led the Ogikubo Nest takedown.”
Shin:	<p>“Man, those GEHENA sons ‘o bitches piss me off! The friggin’ gall they have to pull this stuff off in an inhabited island.”</p> <p><i>*Another group of Soldier Ants approaches the trio*</i></p>
Yuyu:	“We’ve got more, Shin. They must not advance another step until all the locals are safe!”
Shin:	“Hun, I know!”
Yuyu:	(Riri. I pray to God that you’re well...)
	<i>*Somewhere else, deeper into the island’s woods, another isolated group of</i>

	<i>Lilies engages the Ants.*</i>
Renka:	“The numbers that they’re coming in, it’s almost like we’re in an overrun zone. Man, I hope Kazuha’s okay...”
Fuuka:	“.....”
Renka:	“Say something, will you?”
Fuuka:	“.... What for? I don’t want to talk to you any more than I have to.”
Renka:	“And there’s the usual cheekiness.”
Fuuka:	“.....” “..... How are you doing?”
Renka:	“Hm? What’s that about?”
Fuuka:	“You absorbed quite a hefty amount of Negative Magie from Kazuha, didn’t you? I’m wondering if it’s affecting you in any way...”
Renka:	“Oooh, worried about me now, are we? That’s new~”
Fuuka:	“I now see that I should not have.”
Renka:	“Oh, don’t be like that. Look, I’m a-ok! So you don’t gotta worry about me holding you back or anything.”
Fuuka:	“I’m not concerned about that.”
Renka:	“Wait, really!? So you really were just—“
Fuuka:	“Let me stop you right there. I don’t want to waste any time with pointless chatter.”
Yuni:	“Ran, you must be so tired, right? I can carry you if you want.”
Ran:	“Nah, I’m good. I’m up for killing a whole bunch more Huge, actually!”
Yuni:	“How commendable of you, Ran. We could certainly use that help.”
Fuuka:	“I don’t mind your enthusiasm, but I encourage you to avoid engaging in combat unless you absolutely must.”

Renka:	"I'm with her on that. Fighting on and on is just gonna drain us of our Magie, so it's better that we save up for when we actually need it."
Ran:	"You mean when we go at the big guy, yeah?"
Renka:	"I don't even wanna think about it, but yea-... guys, stop! Something's coming this way"
	<i>*Tazusa, Mai and Akehi emerge from the woods*</i>
Akehi:	"I thought I heard your voice, Renka. Turns out you really were here."
Renka:	"Akehi!?"
Mai:	"We heard some fighting happening around here, so we came to take a look. I guess that was you guys, glad to see you're ok."
Renka:	"Mai-san, and Tazusa too!"
Tazusa:	"Hello."
Ran:	"Tazusa~!"
Tazusa:	"Ran!" <i>*Ran hugs Tazusa*</i>
Renka:	"Oh, did any of you see Kazuha anywhere?"
Akehi:	"We haven't, sorry. But I'm sure she's fine, and knowing you, I'm sure you'll agree."
Renka:	"Well, yeah."
Yuni:	"To think that Ran would be so intimate with a Lily from another Garden...! No, even more important than that..." "It's you, Ando Tazusa."
Tazusa:	"Um, you're...."
Yuni:	"Morimoto Yuni of Cuélebre. Do you recognize me?"
Mai:	"A friend of yours, Tazusa?"

Tazusa:	<p>“No, I’ve never met her before.”</p> <p>(But why do I feel so...? Do I actually know her from somewhere?)</p>
Yuni:	<p>“I see.... Well, no matter.”</p> <p>“Let me make something <i>very</i> clear.”</p> <p><i>*Yuni pulls Ran away from Tazusa*</i></p> <p>“Ran is enrolled in Herensuge, and we have no intention of giving her to you.”</p>
Ran:	<p>“Whaaat? But I like being with Tazusa~!”</p>
Yuni:	<p>“Uurrghh....”</p>
Fuuka:	<p>“Yuni, this is not the time nor place for that.”</p>
Mai:	<p>“Ahaha, she’s an interesting fellow, for sure.”</p>
Tazusa:	<p>“.....”</p>
Akehi:	<p>“To get down to business, do you have any insight on that Gigant-class standing at the center of the island?”</p>
Fuuka:	<p>“The composition and feel of its Magie, when taking the recent happenings into account, leads me to believe that it is very likely the Juggernaut, having evolved after absorbing all that Negative Magie.”</p>
Mai:	<p>“And the source of the Negative Magie was probably those three Gigants, so they must have fused with it just like the Chairwoman said...”</p>
Renka:	<p>“Hm? But why’d it turn into only a Gigant, then?”</p>
Tazusa:	<p>“Renka-sama, that is actually—“</p>
Yuni:	<p>“It’s an Ultra-class, not a Gigant.”</p>
Renka:	<p>“An Ultra-class!?”</p>
Yuni:	<p>“You saw all those Huge that shot up from underground after the earthquake, didn’t you? Those are likely to be parts from the rest of its body.”</p>
Akehi:	<p>“... What makes you think that?”</p>

Yuni:	“I don’t think I can explain it, and you’d likely not understand even if I could, but I can feel it, this... vitriol, stretching from that part of it there to down beneath our feet.”
Tazusa:	(This girl... is she like me?)
Renka:	“You’re kidding, right!? We’re just standing right on top of an Ultra!?”
Mai:	“So that confirms it... I sort of figured as much from the sheer amount of Magie it gives off, but its size was giving me some doubt.”
Akehi:	“... Well, if it's an Ultra we're against, a mere Neunwelt probably won't cut it.”
Renka:	“We better find everyone else quick, then. Comms are bust, but thankfully the island itself isn't all that big, so it shouldn't be much of a hassle.”
Fuuka:	“I will agree that it's best that we find them as soon as possible, however...” <i>*Fuuka looks around to see several Soldier Ants approach them*</i>
Mai:	“We fought a whole bunch of them before reaching you guys, we'll be here forever if we try to clear all of them.”
Akehi:	“Do you have enough Magie for this, Renka?”
Renka:	“... Huh!? Yeah, I think I'm good. Scratch that, I got plenty to go around, don't even worry!”
Akehi:	“So you don't actually have much left, got it.”
Renka:	“Ugh... what a way to take me back.”
Akehi:	(After a battle so intense, I'm not really surprised. I'm sure that all Lilies involved must be severely depleted, me included...) (Now, we're standing against an Ultra-class, and there's Huge as far as the eye can see. And the worst part is our comms are still down, so we can't report to the mainland or request reinforcements...)
Ran:	“There's a whole lot of Huge for us to kill! C'mon, Tazusa!”
Tazusa:	“S-Sure!”

Scene 3

(Yuyu's team continues to struggle against the outpour of Soldier Ants, as well as the genetically enhanced Huge.)

Shin:	"There's too many of 'em! They're gonna get through!"
Yahiro:	"What's the status of evacuations!?"
Kureha:	"They had all boarded the ships, but those were hit by stray projectiles from the Huge, so now they're working on repairs!"
Haruna:	"It should still be about fifteen minutes before they're done!"
Yahiro:	"Copy that! Then keep watch and don't let any more stray shots hit!"
Haruna:	"Understood! We'll protect them with our lives!"
Yuyu:	"....."
Yahiro:	"It's not time for that just yet, Yuyu."
Yuyu:	"Huh?"
Shin:	"You're lookin' for a window to activate the Overclock, yea? I think it's too risky to try that when we still got the big boss to deal with."
Yuyu:	"... You really can see right through me, can't you?"
Yahiro:	"We've known you for very long, Yuyu, of course we can tell that much."
Shin:	"Yea! 'N that's why I can see right in y'er face that ya actually love me a whole lot of a damn bunch!"
Yuyu:	"Still, if we just stay at this, we'll run out of Magie and they'll tear us to shreds. I'll not hesitate to use it if things escalate, not a single one of the locals will die on my watch!"
Shin:	"Ain't even a reaction to what I said... oh gee, Yuyu, ya lil' cutie!"
???:	"ONEE-SAMAAA!"

Yuyu:	“Riri!? Is that you!?”
Yahiro:	“Over there! She’s bringing more locals with her too!”
Yuyu:	“Riri!” <i>*Riri cuts her way through a group of Huge*</i>
Riri:	“Onee-sama!”
Yuyu:	“Riri. I knew you’d be alright.”
Riri:	“Likewise, Onee-sama!”
Kanaho:	“Kureha-chan, Haruna-chan, I’m so happy to see you well!”
Kureha:	“And I you, Kanaho-sama!”
Haruna:	“Kanaho-sama! Wait, where’s Takane Nee-sama and everyone else...?”
Kanaho:	“We couldn’t find them, unfortunately. But don’t worry, I have no doubt they’re fine as well.”
Haruna:	“...Right.”
Kanaho:	“So how are things on the port? Are the evacuation ships safe?”
Yahiro:	“Yes, though just barely, with how incessantly the Huge have been swarming the place”
Shin:	“Y’all really came at just the right time, we were at the end of our ropes there.”
Kanaho:	“... I should apologize. There were too many Huge to handle, and we wanted to prioritize the civilians’ safety no matter what, so we just made a dash over here.”
Yahiro:	“Wait, so that means...”
Shenlin:	“There is a great horde coming right after us, yes.”
Yuujia:	“We did what we could to thin their numbers, but...”
Riri:	“I’m sorry, Onee-sama...”

Yuyu:	“Why? You kept those locals safe all the way here, I could not be prouder of you for that.”
Riri:	“Still...”
Suzume:	“THEY’RE HERE! THE HUGE ARE HERE!”
Shin:	“’N they’re comin’ from over there too, they surrounded us good!”
Yuyu:	“Those locals must get to the port immediately! We need to buy them as much time as we possibly can!”
Riri:	“Alright!”
Yahiro:	“Would you girls be willing to escort these civilians for us?”
Haruna:	“Of course! Don’t even worry about it!”
Kureha:	“Come on, everyone, the port is this way!”
Adult local:	“A-Alright, thanks!”
Child local:	“Are you misses not coming with us....?”
Haruna:	“We’ll go right after you once we get rid of the Huge, so let’s listen to mommy and daddy and get to safety first, alright?”
Child local:	“Okay... but you’re gonna be fine, right? You’re not gonna let the Huge get you or anything.”
Kureha:	“Most certainly! Us Lilies are the mightiest things there are! No Huge will ever best us!”
Haruna:	“Yeah, exactly! So rest assured that your home will be safe and sound in our hands! You just gotta bear with all of this for a lil’ bit.”
Child local:	“Okay, got it! Go get them, misses!”
Kureha:	“We will!”
Haruna:	“Now let’s get going!”
	<i>*After the civilians evacuate, the Lilies resume fighting the constantly</i>

	<i>outpouring Huge*</i>
Riri:	“Hah... hah...”
Shin:	“Yea, their numbers really ain’t going down....”
Kanaho:	“We’ll be out of Magie in no time...”
Suzume:	“I’ll draw their attention away.”
Kanaho:	“No you won’t! That’s too dangerous!”
Suzume:	“But if I don’t...” <i>*Even more Huge appear, and among them is a pair of enhanced Large-class*</i>
Yuuja:	“Large-class!? And of that kind to boot...”
Shenlin:	“Now this is simply too much...”
Yuyu:	“I’m using the Overclock!” <i>*Yuyu rushes ahead*</i>
Riri:	“Onee-sama!?”
Suzume:	“I’ll go too...! Just getting rid of those Large-class will already be enough!” <i>*Suzume follows after Yuyu*</i>
Kanaho & Kureha:	“Suzume-chan!!” “Suzume-san!!”
	<i>*Suddenly, all the Huge in the area appear to spontaneously explode*</i>
Everyone:	“...!?”
Haruna:	“Did they just self-destroy...?”
Shenlin:	“No. It was only for a fraction of a second, but I could see them being split in half... this couldn’t mean...?”
Yahiro:	“Shin...”
Shin:	“It’s absolutely what y’er thinkin’. Yurigaoka’s final boss is comin’ in!”

Riri:	“Final boss...?”
???:	“Good heavens.” <i>*Appearing before the Lilies is Chairwoman Shiera*</i>
Takamatsu Shiera:	“Though long indeed it has been since I last held a blade, I seem to be even more inept than I thought myself to be”
Riri:	“M-Ms. Chairwoman!?”
Kanaho:	“Wait, Chairwoman...!?”
Kureha:	“What!? You mean the peerless Chairwoman of Yurigaoka, the veteran of the Antarctic Campaign, the one said to enjoy eternal youth, is currently right here before my eyes!?”
Haruna:	“Are we talking about an actual person here?”
Yuyu:	“I will admit, I never even dreamed of ever seeing her take to the front lines.”
Takamatsu Shiera:	“Hitotsuyanagi, I see you kept yourself safe.”
Riri:	“I-I have! But that aside, what brings you here, Ms. Chairwoman?”
Takamatsu Shiera:	“This Muramasa of mine still craves the blood of Huge at times, so I thought I’d indulge in its wishes.”
Yuuja:	“Muramasa... she means her CHARM, right?”
Suzume:	“But I didn’t even see... or so much as hear her attack...”
Shin:	“That’s ‘cause she never makes a sound when she shanks Huge down, I mean, ya did see how she’s so quick that she makes it look like the Huge just up ‘n died for no reason.”
Shenlin:	“Every time I see it, I can’t help but think that’s something no normal human could hope to reproduce...”
Yuuja:	“Wait, so you’ve seen her fight before, Shenlin?”
Shenlin:	“I’ve been a student of Yurigaoka since elementary, so I did have the

	opportunity to, yes. Though such opportunities are a rarity nonetheless.”
Takamatsu Shiera:	“I would have you give me your reports now, but ridding this place of this infestation must come first.”
Kanaho:	“... Pardon me, but there are too many of them to handle. And these are the Soldier Ants we’re fighting against...”
Takamatsu Shiera:	“Then perhaps we should rally cavalries of our own.”
Matsuri:	“Sorry for the wait, Yuyu.”
Shizu:	“I see you’ve been hard at work, Riri-san.”
Yuyu:	“Matsuri!?”
Riri:	“Shizu-san!?”
Kureha:	“It’s Team Hata and Schwarz Grail... on our side...? A-Am I really awake right now?”
Takamatsu Shiera:	“You already understand the present conditions, yes?”
Matsuri:	“Yes, ma’am, we do.”
Takamatsu Shiera:	“Then let us feast in slaughter. Not one of them is to take a single step onto the port!”
Matsuri:	“The best defense is offense, after all. Team Hata, have at it!”
Shizu:	“Schwarz Grail, engage!”
<p><u>Scene 4</u></p> <p>(Meanwhile, an Odaiba Girls’ School Gunship enters Aogashima’s air space.)</p>	
Gunship Pilot:	“This is the closest we can safely approach the island.”
Kiito:	“No matter, we’ll make do.”

Ui:	“Now, ladies, we better prepare for descent.”
	<i>*At the same time, the Lilies of Ludvico approach the island by sea*</i>
Sachie:	“We’ll be docking in Aogashima in about five minutes. Raimu, have you finished with your preparations?”
Raimu:	“Yes! I’m ready whenever!”
Seren:	“Oh, I can barely wait!”
	<i>*Back by the port*</i>
Kanaho:	“Wait, I recognize that Gunship...”
Kureha:	“You’re right! That’s an Odaiba Gunship!”
Haruna:	“Odaiba!? What are they doing here?”
Suzume:	“There’s another one coming from that side!”
Yuujia:	“Shenlin, look!”
Shenlin:	“That’s one of the military’s ships, isn’t it...?”
Takamatsu Shiera:	“Scorched ashes will be all that remains of Tokyo should this Ultra-class continue living.” “That is something that Tokyo’s Great Three, and we Yurigaoka, can not and <i>will not</i> allow for.”
Yuyu:	“Tokyo’s Great Three... so not only Odaiba and Ludvico, but Irma as well?”
Riri:	“Wow...! And all three of them are coming here!”
Shin:	“Oh, <i>now</i> this is a fight!”
Yahiro:	“I hardly think this will make it easy for us, but indeed, we do stand a good chance now!”
Shizu:	“All Huge in the vicinity have been neutralized. Legion Schwarz Grail will now advance inland.”
Takamatsu	“Acknowledged. Make cutting down the Huge roots your foremost priority.”

Shiera:	
Shizu:	“Understood.” <i>*Shizu and her Legion Schwarz Grail move ahead*</i>
Riri:	“Huge... roots?”
Takamatsu Shiera:	“Think of how all these Huge structures emerging across the island connect to the Ultra at the center. Is it not almost like a tree taking root?”
Kanaho:	“Suzume-chan really was right...”
Shin:	“So those things are roots.”
Takamatsu Shiera:	“Well, Hitotsuyanagi.”
Riri:	“Yes!”
Takamatsu Shiera:	“Your fulfillment of your survey duties is appreciated. Now gather your own and leave.”
Riri:	“Wait... leave?”
Yuyu:	“.....”
Riri:	(She’s right, we were only meant to be the survey team...) (... The Great Three are coming here, plus Shizu-san and Matsuri-sama also came. With how little Magie we have left, we might not even make it out alive if we try to continue...) (We should reasonably be falling back... but...) “.....” (But as a Lily, that just feels wrong....) “I’d like to request that Team Hitotsuyanagi remain in the field!”
Takamatsu Shiera:	“.... You wish to fight still?”
Riri:	“This is ground zero of a battle that’ll decide the very future of Tokyo! As Lilies, we simply cannot turn our backs and leave!”

Takamatsu Shiera:	“And what do you hope to achieve with so little Magie and such great fatigue!? Lest you insinuate you <i>want</i> to lead your team to their deaths!”
Riri:	“They will not die, not a single one of them will! I have that much faith in them!”
Takamatsu Shiera:	“.... Shirai, as vice-captain, what is your position?”
Yuyu:	“I believe Team Hitotsuyanagi is in sufficient fighting condition.”
Takamatsu Shiera:	“Explain your conviction.”
Yuyu:	“Our captain says so, is that not enough of an answer?”
Takamatsu Shiera:	“Hm, I see.” “Let me say that, in respect to your ability as a team leader, this is an embarrassment.”
Riri:	“.....”
Takamatsu Shiera:	“.... But, through the lens of a Lily’s duty to protect mankind, I concede to your viewpoint.”
Riri:	“..... Huh?”
Takamatsu Shiera:	“This shall pose danger unimaginable to you, but... very well.” “I shall permit you to take part in the neutralization of this Ultra-class Huge. Consider it your new mission.”
Riri:	“U-Understood! Thank you so much!”
Shenlin:	“Some good news finally, Riri-san.”
Riri:	“Yeah! Oh.... but, sorry, I just went and did that on my own...”
Yuuja:	“Don’t apologize. This is <i>your</i> team, Riri.”
Yuyu:	“Quite right. You’re our captain, you ought to give us orders with your chest full.”

Riri:	“Alright!”
Yahiro:	“In that case, I’m staying too. We fail to kill that thing, and Kamakura will be levelled even before Tokyo is.”
Yuyu:	“I take that you will be leaving, Shin?”
Shin:	“Hun, read the room. In what world would I ever do that? I’m stayin’ too, of course!”
Riri:	“Thank you, Yahiro-sama, Shin-sama!”
Takamatsu Shiera:	“What will you do, Gran Eple?”
Kanaho:	“We will continue fighting to defend Tokyo as we always have!”
Takamatsu Shiera:	“Mmhm.”
	<i>*Later*</i>
Matsuri:	“Chairwoman, we have a situation.”
Takamatsu Shiera:	“Explain.”
Matsuri:	“We cross-checked the island’s population with the number of evacuees, and we found there to be three locals who still haven’t made it to safety.”
Takamatsu Shiera:	“.... Do you know their whereabouts?”
Matsuri:	“Negative.”
	<i>*Meanwhile*</i>
???:	“Riri-saaaaaaaaan!!”
Riri:	“Huh, Kaede-san!?” <i>*Kaede quickly grabs onto Riri*</i>
Kaede:	“Oh, thank the heavens, you’re unharmed!”

Miliam:	“Y’all, let me tell you... we got thrown right in the middle of the Huge’s hang. Man, I really thought I was a goner...”
Shenlin:	“Are you uninjured, Mii-san?”
Miliam:	“Yup, never been better!” “Oh, by the way, is Fumi with you guys?”
Riri:	“Fumi-chan...?”
Kaede:	“Your tone tells me that she isn’t...”
Yuujia:	“What happened to her?”
Miliam:	“She was with us for a bit, but we ended up runnin’ into the Soldier Ants, and before we knew it, she was gone.”
Riri:	“Wait, that means she’s alone right now!!”
Shenlin:	“And in these conditions, fighting by yourself could prove deadly.”
Yuujia:	“I can only hope she tagged along with another Legion...”
Kaede:	(But Fumi-san can use her Hawk’s eye, so why hasn’t she...?)
???:	“Hey! Team Hitotsuyanagi! Run that by me one more time!!”
Kaede:	“Oh!?”

~Part 3 end~
