Privacy Policy for Gujarati Calendar

Effective Date: June 30, 2026

This Privacy Policy describes how your information is handled when you use the Gujarati Calendar application.

1. Information We Collect

Our application is designed to be privacy-focused:

- **Data Collection:** We do not collect, store, or share any personally identifiable information (PII) such as your name, email address, or contact details.
- **Usage Data:** The app functions entirely offline. We do not track your activity, collect device identifiers, or use third-party analytics services that transmit data over the internet.

2. How We Use Information

Since we do not collect personal information, we do not use, share, or sell any user data. All features of the calendar, including Panchang, festival lists, and date calculations, are performed locally on your device.

3. Permissions

This application requires no special permissions to function. All features are fully accessible without accessing your device's camera, contacts, storage, or location.

4. Age Restriction

Our app is intended for use by individuals aged 16 and older. We do not knowingly collect, store, or process any data from users under the age of 16.

5. Changes to This Privacy Policy

We may update this policy from time to time. We will notify you of any changes by posting the new Privacy Policy within this document.

6. Contact Us
