

All Day Professional Development: 1/6/25

- If you are a staff member **not** associated with the scheduled event, you will have an opportunity to collaborate with peers, or work on anything you need.
- MS/HS CTE** teachers should work to complete any instructional guides that need work. A reminder that our goal is that these are mapped out completely prior to next year beginning.
- All certified teachers should ensure **Marzano Checkpoint #2** is complete. (See Williams Email)
- All staff need to make sure they have completed **SafeSchools and Seizure Trainings** (See Shoemaker's email)
- Green highlight can help you determine if you need to attend a meeting/presentation
