**[BACKGROUND INFORMATION]**

Teegun was born in a city called [REDACTED] in the Czech Republic. After completing university, Teegun got offered to work in a laboratory for a corporation called BCORP. After [REDACTED], that resulted in Teegun getting fired, Teegun received a letter along with a briefcase containing \$10,000. The letter offered him an incredible opportunity to join the research team at Pinewood Military in Canada. The funds provided were intended for his travel expenses. The letter instructed him to state his name to the guard at the gate upon arrival, and then follow the guard into the facility for a job interview. Shortly after receiving the letter, a man arrived at Site 65, identifying himself as Teegun. Upon verification over the comms, the SA ordered to cuff him and escort him to the DoR Office. After this, the DoR had a chat with Teegun. \*[AUDIO LOG](#)\*. After this, Teegun was introduced to the team as a new

Jr. Researcher. After 30 days he was promoted to a Researcher. After 90 days, he was promoted to Sr. Researcher. Teegun is currently a Sr. Researcher.
