Dear Parents/Carers

I am pleased to invite you to the academy's Sixth Form Information afternoon which is taking place on Thursday 5th October 2023. The event will begin at 4pm, with a presentation by the Principal Mr Richardson, the Vice Principal Mr Pleasant, and the Head of Sixth Form Ms Hancock; the event will finish at 6pm.

We appreciate that your child may not be sure what path to follow after their G.C.S.E.s as of yet, which is why attendance to this event is important - it will give information on what subjects they can take and where it can lead to, whether it be university, employment, or an apprenticeship. Furthermore, this event should also serve to keep your child motivated for their upcoming exams, as it provides information on what grades are needed for the subjects they aspire to take.

We are very proud of our sixth and will be delighted to share our pathways and subjects on offer; enrichment opportunities; and the support your child will receive to be successful in gaining the right qualifications to move on to the next stage of their educational career.

Please complete the form by clicking on the [link](#) to confirm your attendance.

Yours faithfully

Victoria Hancock
