

Good evening, families!

I hope you had a wonderful spring break and had some time to relax.

I'm going to try to keep this update short and sweet! Remember that Monday, 4/13 and Tuesday, 4/14 are teacher work days so we will not be holding office hours.

This week, there will be two hyperdocs. There will be one hyperdoc for Monday and Tuesday and a second hyperdoc for Wednesday, Thursday, and Friday. We do not plan on this happening again; going forward, there should only be one hyperdoc each week.

Monday, 4/13 and Tuesday, 4/14	<ul style="list-style-type: none">• Review content in all subjects<ul style="list-style-type: none">◦ Math activities on Seesaw• Teacher work days
Wednesday, 4/15 – Friday, 4/17	<ul style="list-style-type: none">• New content in math<ul style="list-style-type: none">◦ Activities on Seesaw• Review content in reading and science (same activities from Monday & Tuesday)• Review content in social studies and writing (different from Monday & Tuesday)

Additionally, please consider having your child follow [the suggested schedule](#). As we roll out new content, it will be important for your child to complete the activities as posted. Starting Monday, 4/20, Math will have three required/expected activities rather than three optional choices. As of right now, the other subjects will remain the same with review content only.

Regarding Seesaw, a good number of students have logged in and submitted work. Hopefully, everyone will be able to do so this week to get the ball rolling. Going forward, the kids will have assignments that are due on Seesaw. If you are having trouble, please email me.

Speaking of concerns, I have created a survey to [check in with everyone](#)! It is anonymous as I plan to send out an email to everyone with the questions and answers just in case people have the same questions.

Please be sure to check [the Puma Paw](#) for updates from Mr. Thiessen! He generally updates it every Sunday.

Thank you and stay healthy!

Ms. Stiffler
