[did you think i wouldn't leave a legacy?](#)

by [redpandablues](#)

Finished, Teen, Mid-length

The dread associated with time loops is so well-represented here, and the characters are incredibly real and rich. Wonderful ending and writing.

[Maneater](#)

by [Nero \(Zeopraxis\)](#)

Unfinished, Mature, Longfic

Dave being haunted by Henry is always fascinating, but here it's a real voice in his mind, prodding him as he lives his life and develops his relationship with Jack. So, so good!!

[standard, typical, custom](#)

by [jennsmelody](#)

Finished, Teen, Oneshot

A stunning expansion on Jack's alcoholism and the night of Dee's death. Heartbreaking, gripping, and realistic. You can see me raving about how much I loved it in the comments hheh...

[I'm only passing through, \(or maybe just right out!\)](#)

by [Mothwinged](#)

Finished, Gen, Mid-length

This was a gift written for a prompt I submitted to the DSAF Secret Santa event, so maybe I'm biased, but it's amazing. A fix-it of Jack saving Dee from that fateful diner day. BAMF! Jack my goat...

[freakily detested](#)

by [Danny_do](#)

Finished, Explicit, Oneshot

Ok so. Maybe I'm biased, because this is a gift fic, but it's soo good- as a standalone story too. The mix of [HOCHIMAMA] and emotion is fabulous.

[all i ever wanted](#)

by [legacymj](#)

Finished, Gen, Oneshot

One of the first fics I ever read, and it's so cute. It's short but very fluffy and it's one I'm constantly rereading... they're tucked into bed...

[let me help you \(even though i know you're just helpless\)](#)

by [redpandablues](#)

Finished, Teen, Mid-length

Redpandablues always finds a way to make the characters come to life so well. This is a gorgeous look into the dynamic between Dave, Jack, Henry; I love it. Ow the angst.

[Cinders, Regrets and Half Truths](#)

by [rhineposting](#)

Finished, Teen, Oneshot

A really hilariously in-character look at a scene between Jack and Dave on their way to Vegas. This story really stuck with me with how much it remembers that Jack and Dave are... dead! And ambiguously gay!

[DSAF: a script](#)

by [internetmessengder](#)

Unfinished, Teen, Mid-length

A script-style fic is hard to come across in this fandom, but this diner-era one is so good. You can really envision every scene, and the Kennedy family dynamic is so well written. And I always love diner!Dave.

[A Hard-Knock Life](#)

by [LOPIIEEL](#)

Unfinished, Teen, Longfic

Such a fun and gripping Orphanage AU with Dave and Jack getting to know one another as Henry is... Henry. It's funny, it's painful, and it's a masterclass in characterization.

[Dave and Old Sport Adopt a Kid](#)

by [Wario_Speedwagon](#)

Unfinished, Teen, Longfic

Not only is the writing format fascinating, but the characterization is so good. There are so many moments between Jack, Dave, and Prunty I laughed along to. It's so easy to fall in love with the story and everyone in it.

[some things just cannot be fixed](#)

by [shiifty](#)

Finished, Teen, Oneshot

This meeting between Davetrapp and Jack is so horrifying and explores an aspect between their relationship that I'd never have thought about- just how scary Davetrapp would be. It's fabulous.

[Morning After](#)

by [pushingclovers](#)

Finished, Not Rated, Oneshot

This Vegas oneshot is so cute and so fluffy. I find myself rereading it a lot (and not just because they're tucked into bed. Ok. Well. Maybe.)

[every time we change, it rains](#)

by [phoneheadfreak](#)

Finished, Teen, Oneshot

Peter Kennedy angst that is just soo good. It explores parts of the Kennedy family that aren't always thought about super well.

[Fellas, is it gay to kiss the homies?](#)

by [snugg_slugg](#)

Finished, Teen, Oneshot

Well, is it? This fic is so cute and hilarious, and feels like it could've been in one of the games easily. Their bickering and their workday is super fun to read.

[Nothin'](#)

by [pinixy](#)

I find myself rereading this fic a lot, too, because the Dave angst is so good and the comfort is even better. Putting them in Vegas just ties it all together so perfectly.

Ring, Ring!

by [bellygunnr](#)

Finished, Teen, Oneshot

The exploration of phone-head anatomy is fantastic here! Harry and Jack's relationship is so tender and so in-character, and the writing style is scrumptious.

Road Trip

by [CriminalCriminalCriminal](#)

Finished, Teen, Oneshot

Jack and Dave picking up a hitchhiker on their way to Vegas is such a cool way to show their weird relationship from an outsider POV. This fic is fantastically funny.

Even sillier goofier

Each chapter is a full, amazing davesport one-shot that you will reread over. And over. The writing style is something to envy and the characters are so easy to obsess over.

Not a fic, but deserves a place on this list. Full of information and trivia about a ton of DSAF characters. Helpful for writers!

Misanthropologist

by [redpandablues](#)

Unfinished, Teen, Longfic

This fic converted me to a Scott/Abel fanatic and I couldn't be happier. The writing style is fantastic, funny, and both Scott and Abel feel so real in how they act and what they do. Love love it so much!

Perfectly Dave

by [RotAndTar](#)

Jack and Davetrap's messed-up and gay meeting, but it's so much more messed-up and gay.

This fic is super nostalgic to me, and inspired me a lot when I first got into DSAF. Great slowburn with some great Dave angst.

This fic inspired me a ton, too. I love Jack and Dave's relationship and the inner

thoughts of Jack are so funny and in-character. Cute, comical, and fluffy.

The writing style is hypnotic and the character's mannerisms are so fun to read. Dave and Jack are weird, funny, and amazing as they plan their murders.

Again and Again

by [pushingclovers](#)

Finished, Gen, Oneshot

This fic is cute and angsty at the same time, dealing with Jack's promise to Fredbear as he runs off to Vegas with Dave. Soft but sad, I love it all.

back to back

by [aloeearths](#)

Finished, Teen, Mid-length

One of my favorite fics ever, the characterization is, as my bookmark puts it, "so yummy" and the writing style is so snappy. Their dynamic in this inspired me so much when I first started out writing.

Spring

by [pushingclovers](#)

Finished, Gen, Oneshot

Jack helps Dave after a springlock accident at work. It's cute, short, and very much in character for both these weirdos. (Said with love.)

[Now They See the World Through Rotting, Cold, Unblinking Eyes](#)

More Dave and Henry angst that goes into Dave's manipulation so well. Super thoughtfully written, worth analyzing for every detail.
