Program Name	**Program Category**	**Program Description**
STEAMulate Laser Tag League	STEM	Come see how Sports and Science collide by learning how Laser Tag works, design your OWN laser tag game types and field layout, and challenge your friends to find out who's the TOP Squad in our local Laser Tag League tournament!
The Business of Art	Arts and Humanities	Learn the fundamentals of Airbrush painting and how it can be used to start your own business!
REAL Girlz	Leadership & Work Readiness	We are Michelle Obama, Kamala Harris, Beyonce and Cardi B all wrapped up into a EMPOWERED Package called R.E.A.L Girlz. This group is filled with girl talk, fun, games and surprises!
Art After School	Arts and Humanities	Join us for after school artmaking led by a local artist. We'll focus on different media each week, explore the work of contemporary artists for inspiration and 2D and 3D artmaking processes like painting, clay, collage and more.
Edible Schoolyard	STEM	Join us as we transform the school's outdoor space into a tasty garden where you will learn to dig it, grow it, and eat it! Learn all the steps to

2021-2022 NextUp Spring Session: Albert Hill Middle School
(April 11th - June 16th)

		creating and maintaining a bountiful garden, then learn how to turn the plants you grew into tasty dishes. Lots of tasting and eating in this program!
KICDRUM	Arts and Humanities	KICDRUM is a fun, interactive musical experience. You will be using individual drums, electronic instruments, and musical programming.
Basketball	Sports and Health	Learn the fundamentals of basketball and play a 5 on 5 pickup game!
Healthy Kidz, Happy Kidz	Sports and Health	Let's take your culinary skills to the next level! You will utilize fresh and wholesome ingredients to create DELICIOUS meals and entrees. Everything will be made from scratch!
Geared Up	STEM	It's way more than building robots. FIRST Tech Challenge participants are challenged to design, build, program, and operate robots to compete head-to-head in an alliance format at a local scrimmage.
Spin Academy	Arts & Humanities	From learning how to create dj “sets” and “mixes” to directing and producing their own music video, the Spin Academy will take students beyond the enjoyment of listening to music by giving them the exposure to the newest music creation tools…. all while having FUN!!
Braid It Up!	Arts & Humanities	Do you want to learn to braid or improve your current skills? Sign up for "Braid It Up" so we can teach you how to do some hot hairstyles.
Kidz n Biz	Leadership & Work Readiness	Be the next generation of innovators and changemakers, let us help you create your product and develop a business. Learning Statement: By the end of class students will create their product or idea, pitch their business idea and be eligible to participate in our Kidz N Biz Shark Tank for cash prizes to start their business.
Empowered to Jump	Sports and Health	Jump To New Heights with JumpStarz! No experience needed, express yourself and learn new tricks while jumping rope.
