Information you can use

- **Full-day attendance is required. Students MUST be at school at 8:30 am. There are no exceptions to this expectation.**
- 8th grade graduation will last approximately 30-45 minutes.
- Caps and gowns cannot be decorated. This is an occasion to celebrate movement from one phase of academic life to the next. We don't want to diminish it.
- Don't spend a lot of money on the ceremony. Students will be wearing a cap and gown. This is also not the time for students to learn to wear heels. I want everyone to be comfortable and safe.

Refreshments and an opportunity for pictures will occur at Plamondon after the ceremony. At this time, you will also receive your child's diploma and transcripts. Please reach out to me if you have any questions.
