Improve your vocabulary with English Vocabulary in Use from [gmailwireless.com](http://gmailwireless.com). **Learn the words you need to communicate with confidence.**

Bạn đang xem: Gracious là gì

Their easy production announced a *gracious* and fertile imagination, which sometimes precipitated them toward error.

As for changes with different correspondents, at times playfulness and irony give way to *gracious* expressions of gratitude, regret, condolence – but the pleasure in the use of language never leaves.

It was a missed opportunity to get to know him better and to partially repay a debt incurred that afternoon when he was so *gracious* and kind.

He was very *gracious* about my saying there was something wrong with our earlier analysis, but he never thought money was a very important variable in explaining how economies worked.
