

THE GIRL WHO IS SUPER

Once upon a time there was a girl who was a nice and caring young girl who always went around and gave the homeless money! She was the most famous girl in town she. Every one would walk up to her and ask for money and she would give it to them. But one thing that she didn't know was that they were just using her just for her money! When she found out she left the town to another town which was called KIND PEOPLE. Her first day she was welcomed by all of the people who lived in the village. She was happy but when she was unpacking she forgot something back at the other village that she used to live in. The next day she went to get that one thing and when she got there the first thing she saw was that a new girl pushed a kid onto the road. So she went up to the new girl and said "why did just push him onto the road?!!" "Because he walked on my shoe!!!!!! So then the new girl pushed Olivia on the ground!!!
