

Supporting Black-Owned Restaurants

Updated 06/07/2020

Supporting Black-owned restaurants is a tangible way to reinvest dollars in the Black community. Lists of Black-owned businesses in different metropolitan areas are organized below by state.

Please feel free to DM me (@rmw108 on Twitter and IG) to add more cities or links, flag any corrections, and/or let me know of a compilation already in existence that I can amplify!

To make specific restaurant additions, or to suggest additions/corrections to any of the list themselves, please directly contact the list administrators/authors credited. All credits are for Twitter accounts unless otherwise indicated (e.g. IG for Instagram).
