That would be a DQ.
3) 200 Free Jessie Allred	2:40.14	https://youtu.be/duYWCyh6EwA	Splits - 35.41, 41.15, 42.64, 40.94

5) 200 IM Madi Hatch	2:22.28	https://youtu.be/3ZX9UbuKqIk	No Splits (Bad Pad) 1st Place Overall!
7) 50 Yard Freestyle Emma (Becky) Rincon	1:01.22 (Baseline PR)	https://youtu.be/LLbO8VWhAKc	In water start. Once we get to the point of doing starts off the block, this will get cut by probably 4 seconds doing that alone. Slight delay after taking a breath. Nice job taking the frequency of breathing down though! Very

			happy with this swim!
7) 50 Free Michaela Wynder	37.71	https://youtu.be/Kv1_ZP04670	
8) 50 Free Damian McFadden	29.72 (Baseline PR)	https://youtu.be/fQcSMz7HPCs	
8) 50 Free Charlie Hancock-Taylor	28.95 (New PR)	https://youtu.be/y5XMP6WfDD8	Good straight arm recovery. Very nice frequency. Once we get you off the blocks, you will cut probably a second or more.
8) 50 Free Rusty Wynder	32.08	https://youtu.be/y5XMP6WfDD8	Notice when you flip you bring your head up and face the wall right before flipping. Instead, take a breath to the side, and bring your head back in the water straight down instead of forward. That results in a much slower turn.
8) 50 Free Joshua Gonzalez	24.94	https://youtu.be/nZOdgP0zbZ0	3rd place overall (out of 37)
8) 50 Free Jed Hatch	25.01	https://youtu.be/nZOdgP0zbZ0	4th place overall (out of 37)

11) 100 Yards Free Sienna Whitby	1:16.53 (New PR)	https://youtu.be/Pi-VN9GuNU	5th Place overall out of 15 Excellent turns on 1 and 2, 3rd was a near miss, but you didn't let that bring you down and sprinted all the way to the finish! Fantastic job. Splits - 35.70 - 40.83
12) 100 yards Free Jackson Hoey	1:12.51	https://youtu.be/0zVKjYgkZFs	Splits - 33.84, 38.67
12) 100 Yards Free Tyler Wynder	1:23.92 (New PR) But Wait! He breaks it again in the first leg of the 4x100 free down below!	https://youtu.be/0zVKjYgkZFs	Splits not captured, bad pad touch.
12) 100 Yards Free Rusty Wynder	1:14.84	https://youtu.be/yfPUp132XIY	Again, watch your head right before your flip turns. We need to fix that.

20) 100 Breast Charlie Hancock-Taylor	1:36.90 (DQ)	https://youtu.be/C4tWKDSNPBg	DQ was reported as “Non-simultaneous Arm movement”. I personally can’t see from the video but its so far away it would be hard to see that, and I didn’t see a hand go up

			so it's hard to know where you had the issue.
21) 400 Free Relay Girls	5:05.32 Abbey - 1:24.12 Natalie - 1:24.73 Jessie - 1:12.96 Madi - 1:08.29	https://youtu.be/kZ3mOK5qQ7U
