

John's Joke

A Magician , somewhat down on his luck, manages to get a job on a Cruise ship . Twice nightly he was part of the Cabaret acts whilst the ship cruised the Caribbean.

Now, the ship's Captain owned a rather talkative Parrot which was allowed to have the run of the ship.

The Parrot initially enjoyed watching the Magician's act. However. the Parrot either out of boredom or spite started to sabotage the Magician's act. He would watch the various tricks and then speak out.

"He's got two hats, The Rabbit is stuffed, all the cards are Spades, it's up his sleeve !".

The Magician was of course, furious, but could do nothing as the Parrot belonged to the Captain.

Just before the cruise ws due to end, the ship had an unfortunate accident, colliding with another ship and sank quickly.

The Parrot and the magician found themselves in a life raft.

After a week, adrift, the parrot says, O K , I give up, how did you make the ship disappear ?."
