

## Activity 1, Part 1: Identifying verbs and nouns

*The following standards come from the NC Essential Standards for 2nd grade. As part of your practice for “Unwrapping,” verbs representing what students will do should be highlighted, while nouns or phrases representing teachable concepts should be underlined. You will check your unwrapped standards against the answer key when you are finished with your practice. (This could be done in Google Docs or in a Word Document)*

### ELA

**RL 2.1:** Ask and answer such questions as who, what, when, where, why, and how to demonstrate understanding of key details in a text.

## Activity 1, Part 2: Create a Graphic Organizer

Create a graphic organizer that represents the full list of what students need to know and be able to do relative to the standards(s).
