<p>Steam</p> <p>Use a small paper/foam cup, some string, a pencil + paint to make pendulum art!</p> <p>Swing the cup back + forth. Watch the pattern gravity makes with the paint!</p>	<p>Art</p> <p>Pick a nice day to go out and find a plant or insect to draw. If you can take a picture first that might be easier.. Look at the small details as you draw!</p>	<p>Library</p> <p>What is the difference between fiction and nonfiction? Write down the name of your favorite fiction book and tell why.</p>	<p>Music</p> <p>Make your ULTIMATE summertime playlist! Include songs that remind you of summer, songs that help you relax, songs that make you want to dance, and songs that make you happy!</p>	<p>P.E.</p> <p>What is your favorite thing to do in the summer that keeps you active, like swimming, riding a bike, playing outside?</p> <p>Write at least 3 sentences describing your favorite summer activity.</p>
<p>Art</p> <p>Trace your shoe! What can you make from this shape? An animal? A person? A thing? Remember, you can turn the shape sideways or right side up!</p>	<p>Music</p> <p>The conductor is the leader of the Orchestra. Find a piece of classical music and pretend like you are a conductor by waving your arms with the music!</p>	<p>Library</p> <p>What nonfiction topics do you like to read about Why? Make a list of reasons!</p>	<p>P.E.</p> <p>Limit your screen time today. Try and keep away from tvs, phones, ipads, or anything that has a screen today. Too much screen time isn't good for your eyes.</p>	<p>Steam</p> <p>Make a homemade kazoo using a paper towel or toilet paper roll, some wax paper and a rubber band.</p> <p>Punch holes for your fingers and test the different sounds!</p>
<p>Music</p> <p>Make a list of your favorite foods. Use 4 of those foods to make a WORD CHAIN. Clap the rhythm of your words. Also, play the rhythm of the words on your household instrument from last week</p>	<p>Library</p> <p>Do you have a public library card? Go to this website with your parents and get one! Digital Library Card</p>	 <p>Free Space!</p>	<p>Steam</p> <p>Use some string and the sticks you collected from your art project to make a dreamcatcher.</p> <p>Hang beads, feathers, or paper shapes from your dreamcatcher using leftover string!</p>	<p>Art</p> <p>Find some small twigs outside and break them so they look like a person with two arms and two legs. Trace around the twigs, rounding the top for the head. Now you have two people! What are they doing? Dancing? Walking? Skipping?</p> 
<p>P.E.</p> <p>Have you ever made up your own dance? Many songs have dances for them, but most songs don't! Listen to a song you like and try and create your own dance that follows the music!</p>	<p>Art</p> <p>Draw the first letter of your first name on a piece of paper. What animal picture can you make from this letter? If you want a challenge, make it an animal that starts with the letter of your name.</p>	<p>Steam</p> <p>Design your own dance floor using cardboard boxes and art supplies (crayons, paint, markers, etc.)</p> <p>Then perform your moves from P.E. on your stage for your family!</p>	<p>Library</p> <p>Write a letter to your favorite author. Tell the author why you love his or her books! Draw a picture of yourself reading at the bottom!</p>	<p>Music</p> <p>Listen to a song that you enjoy. Do you hear any metal or wooden instruments? What about shakers or drums? Write about which instruments are used in the song.</p>
<p>Library</p> <p>Make a list of books you want to read over the summer. Try to write some titles down that you don't usually read!</p>	<p>Music</p> <p>Find your favorite dancing song. Close your eyes and do whatever kind of dance you want. Pick 2 dance moves. Do one dance move until the music changes and then do the other one.</p>	<p>P.E.</p> <p>Go for a walk or a run outside. This time of year is perfect for outside fitness because the weather is beautiful!</p>	<p>Steam</p> <p>Design a flag for your castle that can actually move up and down.</p> <p>Use string and a paper towel tube to create a pulley system and attach your flag to the string with tape!</p>	<p>Art</p> <p>Design your own castle! Draw a castle you would live in if you were a king or queen. Remember to "ground" your castle (draw the ground) by making lines about halfway up. What features would your castle have? Design doors and windows, think of colors, etc. You could use a shoebox to make it 3D!</p>
