

HOW TO LAUNCH A NEW SIE CHAPTER

REQUIREMENTS:

- Any group of five or more students enrolled in a management curriculum, or taking college courses related to management issues may petition to form a local chapter of Sigma Iota Epsilon.
- Students must meet the GPA requirements for admission into Sigma Iota Epsilon. Undergraduate Students must have a 3.25 GPA and Graduate Students must have a 3.50 GPA.
- Chapters are required to have the support of a faculty member who will serve as a faculty advisor to the chapter.

STEPS:

- Once the requirements have been met, prospective chapters must fill out and submit the "New Local Chapter Petition" form, along with appropriate supporting documents outlined in the petition, to the SIE National Office email for approval by the National President and SIE National Executive Board.
