Subject: **Urgent Report: Fake BTS ARMY Account Manipulating K-ARMY To Demand For SUGA's Departure**

Dear Big Hit Music Team,

I hope this message finds you well.

I am writing to report a concerning issue involving an X (formerly Twitter) account with the handle [@idoitsueit](#). This account was created in August 2024 and falsely claims to be a BTS ARMY, but is actually a hate account targeting BTS member SUGA. The account is actively engaged in harmful activities, including:

1. **Spreading Misinformation:** The account falsely represents itself as part of the BTS ARMY while promoting negative sentiments against SUGA.
2. **Collecting Donations:** It collects donations to sponsor protest trucks and wreaths demanding SUGA's departure from the group.
3. **Misleading Public Perception:** It falsely claims that these actions reflect the wishes of the Korean ARMY (K-ARMY), potentially causing confusion and distress among fans and damaging BTS's reputation.

I have evidence proving that the owner of this account is not actually a BTS ARMY member but rather a fan of NCT, a group under SM Entertainment. This indicates that the account's activities are not genuine expressions of BTS fandom but rather attempts to undermine and disrupt.

I am concerned about the impact this account could have on the BTS fandom and the group's overall image. I have attached the additional information or evidence needed to support this report together with this email.

We would appreciate it if you could look into this matter urgently to avoid further tarnishing of Suga's name and disruption/confusion within the fandom ARMY. Thank you for your attention to this urgent issue. I look forward to your response.

Best regards,

[Your Name]
BTS ARMY
