## From the Principal's Desk

Dear Abbot Families,  
Happy Friday!

Today it day #90 of the school year, which means it is the half-way point. I can't believe how quickly it has gone by. As we enter the second half of the school year, we really focus on trying to hold our students accountable to the expectations that we have established school wide and in the classrooms. As always, we will continue to support our students in helping them meet our school expectations.

This is just a reminder that since we will probably have a great deal of snow on the ground for the foreseeable future. Please make sure your child packs their snow gear if they want to play in the snow.

I want to give a shout out to our 4th and 5th grade Strings and 5th grade Band. We held our Winter Concert this past week and they did a wonderful job. I hope these students continue playing through High School, it is a wonderful skill to have. I know many adults who now wish they knew how to play an instrument.

# STEAM Fair

As I mentioned last week, we have our Abbot STEAM Fair occurring next month. If your child is interested in participating, the [Westford STEAM Fair website](#) is filled with information to help students get started.

## Abbot PTO Update

TONIGHT!! January 23rd, 2026 at 7:15pm Nabnasset & Abbot PTOs have come together to offer a fun sister school event at the UMass Lowell River Hawks vs. Maine hockey game.
