

# Privacy Policy - Property Clash

Privacy Policy of Property Clash game

Privacy Policy Last Updated: [20.05.2025]

This privacy policy explains how we handle information while you use the [Property Clash] app.

1. **Data Collection** We do not collect any personal data within the game. However, the game includes third-party advertisements through Google AdMob.

**AdMob Ads and Third Parties** We use Google AdMob to display ads within the game. AdMob may collect some anonymous data to provide interest-based ads, including:

Device information (model, operating system, etc.) Ad interactions IP address (for regional targeting, but not for personal identification) For more information about AdMob, visit: For more information about AdMob, visit: [ <https://policies.google.com/technologies/ads> ]

If you do not want your child to receive interest-based ads, you can disable "Personalized Ads" in your device settings.

2. **Child Safety** Our game: Does not contain any violent content. Does not collect personal data or location information. Does not include in-app purchases (IAP) or external links.

We prioritize children's safety and ensure our game complies with child-friendly policies.

3. **Parental Rights** If you have any concerns or questions, you can contact us through the following channels:

Email: [ [almilagamestudio@gmail.com](mailto:almilagamestudio@gmail.com) ]

As a parent, you can manage your child's privacy settings on your device and control ad preferences.

4. **Policy Changes** This privacy policy may be updated from time to time. If significant changes occur, we will share the updated policy within the game or on the app store.
5. **Anonymous Gameplay Statistics:** To improve the game experience, we anonymously track how many players complete specific challenges or modes. This information is not personal and cannot be used to identify any user.

If you have any questions about our privacy policy, feel free to contact us.

Thank you
