7:52-8:20: DOTI Safety project on 17th

- Greg Cieciek
- Currently in design phase – expected to 90% complete plans June/July 2025. 100% design will be later in the year.
- Daylighting (keeping parking 20 ft from alleys and intersections)
- Will rejig the lanes so that they are all the same width
- Will add rumble strips to alert drivers of the 25mph speed limit
- Also some changes on west bound 18th (in City Park West)
- They will use new community transportation guidelines
- Pedestrian crossings: will improve safety for these as well with timing of lights and crossings.
- Comment: Some of the bus stops on 17th are accessible to those with mobility challenges.
 - Eventually may be concrete pad and benches.
 - Call 311 to report issues.
- Comment: Where will traffic go if BRT diverts traffic to 17th (which will go down to 25mph)?
 - There was [a study](#) on this.

8:20-8:25: Around the Corner & Other Events

- City Park Day
 - May 30th in the afternoon / evening
 - Music, face painting, ice cream
- Around the Corner

- Email this week about the next Around the Corner event at Hooked on Colfax on June 1st from 2-4pm.
 - Special cookie will be provided to any customer who buys a drink.
- Block party
 - July 26th from 3-7pm
