Liberty, Texas 77575

San Jacinto Elementary School will take every measure to protect and keep our students and staff safe. The San Jacinto Elementary School cafeteria will adhere to recommendations made by local, state and federal agencies and will be closed to visitors at this time. Students will have the option of bringing a lunch prepared at home or to take part in school lunch provided in the cafeteria. This means that students are not allowed to receive food prepared by outside vendors (e.g. McDonald's, Whataburger, etc...). In the event that a parent needs to bring lunch to a student, they must be listed in Skyward as a contact or on the emergency/pickup list of the student.

- Office staff will not accept outside food deliveries unless a person on the student's pickup list delivers it in person.
- Any lunch kits dropped off must be labeled with the student's full name and homeroom teacher and brought to the front office. Please make every attempt to be on time to deliver food to your child.
- If the student's lunch is not present when their lunch time starts, they will be sent to the lunch line to ensure they have enough time to eat.
