

# New Roulette in the Trader

Beware: If you don't do Endless Mazes there is no need to buy this Roulette, you won't be able to use it  
If you bought the Yggdrasil Roulette in the last Maze event you can get coins here from the Endless Mazes to spin it.

The same coins are also used for the new Nautical Roulette.

## Nautical Compass Roulette

Nautical Compass Roulette - You can get it at the Trader's, limit 1.

Worn Coin for spinning the roulette

You can find it in Old Trunks in the treasuries of the Endless Mazes or purchase from the Trader.

**We could buy the Yggdrasil Roulette in the last Maze release**  
**It also uses the Worn Coin for spinning.**  
**Worn Coins are only available in the Endless Mazes.**  
**Every 6 endless mazes (in 4 random of them), you can find Worn**  
**Coins in the treasury to spin the roulettes.**

**Inside the new Nautical Compass Roulette**

- What's inside:
- 3 types of decorations
  - 3 types of multiboxes (do not leave decorations):
    - gives collection items, resources, 50 energy, 5 times
    - gives collection items, resources, 1 Emerald (50% probability), 3 times
    - gives collection items, resources, 50 energy, 5 times
  - and some consumables, such as Kerosene, Raspberries, Lucky Coins, etc.

**Water decorations**
