

BACK-TO-SCHOOL SUPPLY DRIVE

Back-to-school shopping can be expensive, and every young person deserves to walk into their classroom with the supplies and essentials they need.

This is about more than notebooks and backpacks. It's about showing our youth that their community sees them, supports them, and believes in them.

And if you can't donate, please share our poster or post on socials! Helping us reach more people is just as valuable.

16 youth. 16 fresh starts. Let's get our babies ready for school. 🎒 📚 ❤️

WISHLIST

Please note: We are only accepting new items for this drive.
