

We Like Winter TEXT

By Amy Shepherd, M.Ed.

We like...mittens red and round.

Salient Features: Mittens have a wrist, a thumb space, and a large round finger space.

We like...pine trees all around.

Salient Features: Pine trees have a trunk, branches, and pine needles.

We like...snowflakes falling down.

Salient Feature: Snowflakes have a round center and have many sides or points.

We like...building snowmen on the ground.

Salient Features: Snowmen have a large round snowball body and a smaller round snowball head.

We like...hearing the blue jays sound.

Salient Features: Blue Jays have blue wings, a blue crest on their head, and a black-tipped beak.

We like...the Moon, whose light abounds.

Description: The moon is an object that orbits a planet.
