Directions: Use the list of courses as a guide to help you select your classes in SchoolLinks. Check one course from each of the required areas of English, Math, Science, Social Studies and PE. Academic courses prepare the student for the next grade level. KAP (Katy Advanced Program) courses prepare the student for the next grade level and are more rigorous and move faster. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria with confirmation by the GT facilitator.

IMPORTANT: Per SB 2124, incoming 6th-grade students who perform in the top two quintiles (40%) on their 5th-grade Reading, Math, or Science STAAR tests will be automatically placed in the corresponding KAP course. All adjustments will take place during the summer or early August, depending on the date STAAR results are released. If you DO NOT agree to automatic placement for your child, based on their 5th grade STAAR performance, please circle below OPT-OUT for each of the subject areas listed below:

English Language Arts and Reading	OPT-OUT	Math	OPT-OUT
Social Studies	OPT-OUT	Science	OPT-OUT
