

Black and White Chocolate Fondue

From [Rocco DiSpirito](#) on [Ashley's Cooking Adventures](#)

Ingredients

1/2 cup whole milk

2 teaspoons cognac

6 ounces premium semi-sweet chocolate, chopped

6 ounces premium white chocolate, chopped

Pinch of salt

Your favorite things to dip in the fondue

Directions

Combine all ingredients in fondue pot and stir until combined. If mixture becomes too thick, add more milk to thin it out.

If you do not have a fondue pot, you can still make this on the stovetop over medium high heat and transfer to a serving bowl.
