

Farmingdale University in the High School Requirements

- Math and Business courses offered at Deer Park High School through Farmingdale:
 - Statistics (Math)
 - College Accounting (Business)
 - College Website Design (Business)
 - College Personal Finance (Business)
 - College Business Law (Business)
 - College Sports Marketing (Business)
 - College Marketing (Business)
 - College Stock Market (Business)
- Non-Upperclassmen:
 - If a non-upperclassman wishes to register, additional verification must be submitted for that student. For example, if one or more sophomore students are placed in the course, and meet the prerequisite requirements for the course, the UHS instructor must confirm student eligibility via their approval of the course roster(s).
