Graphic Organizer (Finding Supporting Evidence)

Directions: We will watch the movie, *Big Hero 6,* over the next two days. You must watch the movie with a different set of lens.You are *NOT* watching to be entertained. You are an investigator and you are looking for evidence that Baymax is a soft robot. If you have seen the movie before, you may have never thought about Baymax in this way. Write down everything that comes to your mind. Do not worry about whether your evidence is right or wrong. Write down everything.

How many ways can you find to support the thesis, "Baymax is a soft robot?"
