

Communication Mechanics: A Podcast For Engineers

Season 3, Episode 5 Transcript

[Intro music]

Jill Fennell (Jill):

Welcome to Season Three of Communication Mechanics. I'm Jill Fennell, Webb Chair in Communication Skills at the Woodruff School of Mechanical Engineering, and this season is all about communication across professional growth. How engineers build skills to navigate job fairs, public speaking, leadership, internship, and providing useful feedback. Let's get started.

[Music fades up and then fades out]
