

Arvada Hot Lunch Program

My Hot Lunchbox is back! Affordable and tasty meals are yours for the ordering.

Why Choose Our Hot Lunch Program?

- **Convenience:** Avoid the morning rush and the stress of meal prep by placing your order online.
- **Variety:** The weekly menu features a wide range of options from your favorite local restaurants. There's something for everyone!
- **Affordability:** Quality meals at reasonable prices because we believe good food shouldn't break the bank. Two Roads does not participate in the National School Lunch program and, therefore, does NOT offer free lunches.
- **Easy Ordering:** Registering and ordering are easy. Visit myhotlunchbox.com to create an account.

Our complete lineup is coming soon! Service begins on Monday, August 19; ordering opens on Monday, August 5. Need more information? Check out the links here:
