Innovate Academy Summer Reading Project

Incoming Fourth Graders For The 2026-2027 School Year

Hello Incoming Fourth Graders & Families,

I am Madison Mazzoli, fourth grade mentor here at Innovate Academy. I am so excited to be your teacher for the 2026-2027 school year. We are going to have an amazing year together, and I am looking forward to getting to know each of you. But before the new school year begins, I am sure you will be going on adventures, experiencing new things, vacationing, and hopefully cooling off with lots of sweet treats this summer! While doing all of these things, you also need to participate in our schools mandatory summer reading assignments. There is a school summer reading challenge that students should complete. They may read any books they like to contribute to their summer reading challenge logs.

In addition to our school's summer reading challenge, you must complete this additional project assigned by me, and will be due the first week of school in September! For this project, you are required to read the novel, *Stuart Little,* written by E.B White. Complete the following tasks for this assignment…

- ☐ Read the novel, Stuart Little, written by E.B White.
- ☐ Complete the summary graphic organizer attached to this packet
- ☐ Design a poster about the novel. The poster should be neat, creative, colorful, and have pictures/illustrations.This poster must include the following…
  - ☐ A short summary of the book (minimum of 1 paragraph (5-6 sentences.))
  - ☐ Who is the main character? Who are other characters in this book?
  - ☐ What is the setting?
  - ☐ What is the conflict or problem in the story?
  - ☐ A book review: would you recommend this book? Why or why not?

This summer reading project will be a part of trimester 1 grades for the new school year. I pray for immense joy and blessings over you and your families this summer! See you in September!

Sincerely,

Mrs. Mazzoli

Name: _____ Date: _____

Graphic Organizer for Summarizing

SOMEONE:
Who is the main character?

WANTED:
What did the main character want?

BUT:
What was the problem?

SO:
How did the character try to solve the problem?

THEN:
What was the resolution to the problem?
