Abstract.

The abstract should summarize the content of the paper in short terms, i.e. max. 500 words! (Times New Roman 12). The abstract should be written in English and covered by one or more of the Conference Topics. It should start with a very brief background about why your study needs to be done, methods used, major results and implications of your research work.

Keywords: First Keyword, Second Keyword, Third Keyword, Fourth Keyword, Fifth Keyword (Times New Roman 12).
