

Nutrition Information

Breakfast and lunch is available for all students. We HIGHLY encourage ALL families to take the time to complete the Free and Reduced Lunch form. We understand many families feel they may not qualify, but it does provide information for the state regarding our families' needs in our area. The federal and state education department provide funding based on these numbers. Although it seems cumbersome, we ask that you continue to help Disney receive the appropriate amount of funding per student by completing this form. [Application for Free/Reduced Meals HERE](#)
