

Classical Studies I

Week 29-30: 4/21-4/24

Friday, 4/21

- ☐ Read Book XII (12), pp. 325-340, of *Iliad* (45-55 min.)

Monday, 4/24

- ☐ Finish Reading XII (12), pp. 325-340, of *Iliad* (20 min.)
- ☐ Write Synopsis of *Iliad*, Bk XII (12), pp. 325-340 (30-40 min.)
 - Here's how I want the synopsis this time. It's more simple.
 - **Write down 6 bullet-points**, pointing out key events in the Book.
 - Each bullet-point must be a complete sentence.
 - Each bullet-point must a major/notable event in the book
 - The 6 bullet-points must give the sense of the entire book (that is, chapter). If I string the bullet-points together, I should have a good sense of the story in the book.
