

Keyword Report #800: Best Lug Nut Torque Wrench

Primary Product: Lug Nut Torque Wrench

If you perform any type of maintenance on your vehicle, a torque wrench is a crucial tool. Many of the nuts and bolts that hold a car together must be fastened at a specific tightness, and the best torque wrenches help ensure that you don't over- or under-tighten any of them.

Conclusion:

- Easy keyword
- Almost all sites have short articles
- Low competition
- Popular product
- Most sites are pretty weak
- You can outrank most domains with a proper review of 2,500+ words
- Good search volume
- Great commission opportunity 💰
- You should have a good chance of ranking on the first page 

Suggested strategy:

- Publish a very high quality article – **Best Lug Nut Torque Wrench**
- Make sure to use the main keyword in **title (H1) and description**
- **Title ideas:** Check out the titles I have included in the table below
- Make the post above **2,500 words**
- In the **page description** and in **the page title**, add the word **"BEST"**
- Link from the review several times to the products you decide to promote **via your affiliate link**
- To make your article even more comprehensive you could add a section **about the manufacturing company**
- The top ranking articles have reviewed between 3 to 7 products. **You could review 10 or even more products.** Some title ideas for this keyword type: Top 10 Best Review/Top 15 Best Review etc
- Here are 2 good articles to use as an example:

<https://www.motor1.com/products-services/auto-products/best-torque-wrench/>

👉 You could make a table reviewing both products features – check out this example:
