Director's Comments:

- Got football calendar for next year, so first 2026-7 calendar will go out tomorrow
 - ◆ Only Friday games! Fall break no game; Senior night not same as Coco game
- New fundraiser in the works to have FHS be a staging area for Bof A and NAU Band Days
- Solid #s for next year
 - ◆ 100+ band, 30+ Colorguard, ~80 orchestra
 - ◆ Probably ~50 more out-of-zone kids
 - ◆ Possibly more if FALA closes
- New instruments to replace the ones from the 1950s are here! Alldone with the super old replacements
- Field and equipment crew are all graduating seniors this year. New crew will be paid now with school fees waived after a successful semester of doing the job. Tim will want to do that, not sure who else.

Feedback (notes for next year)

- Spring Tour
 - Great trip, everything good overall
 - Better breakfast needed in future with more options—in general but especially for kids who are vegetarian or allergic to gluten, etc.
 - Maybe more snacks for evening (we had some but they were in Trevor's room...)
- Savers Collection
 - Made \$810.75
 - Went well—trumpets ON IT with collection and won the prize of pizza party
- Uniform Organize Day
 - Susan and Thomas did a lot—most missing uniforms found—one shako missing; they think the missing bibbers (without labels) went to NAU by mistake; not sure about jackets
