**Subject:** Concern for Jungkook's Privacy

Dear Bighit Music,

I am writing to express an important concern regarding the privacy of Jungkook, a member of BTS.

Recently, several threads accounts have been posting leaked photos of Jungkook captured during his private moments. This situation not only invades his privacy but can also impact his emotional and mental well-being. It is essential to remember that everyone deserves to enjoy their personal life without the pressure of public exposure.

I understand that fame brings a high level of attention, but it is crucial that measures are taken to protect the rights and privacy of artists. I believe Bighit Music could consider actions to address these accounts and curb the dissemination of unauthorized content.

Thank you for your attention and for your ongoing work in supporting the artists. I hope we can together ensure that Jungkook and all BTS members can live their personal lives with the respect they deserve.

Sincerely,
