Dear Valle Vista Students and Families,

It is with a deep sense of pride and excitement that I welcome you to the 2026-2027 school year! While I have had the privilege of serving this community as your Assistant Principal for the past two years, I am honored to now step into the role of Principal at Valle Vista Elementary.

Having worked closely with our students, teachers, and families since 2024, I know firsthand what makes our school so special. My goal this year is simple: to keep our momentum going. We have made incredible progress together over the last two years, and I am fully committed to continuing that growth while nurturing the safe, vibrant, and innovative environment we've built.

As I move into this new leadership role, my dedication to your children remains my top priority. Together with our world-class staff, we will continue to focus on:

- Building on Success: Enhancing the programs and traditions that make Valle Vista thrive.
- Supporting Every Child: Ensuring our "Viking" spirit of kindness and curiosity reaches every student.
- Strengthening Community: Deepening the partnership between home and school.

I am so grateful to continue this journey with you. I can't wait to see our returning students again and to welcome our newest learners into the fold. Let's make the 2026-2027 school year our best one yet!

With Viking Pride,

Stephanie Keith Principal

Valle Vista Elementary School
