

### Click to tweet:

1. [Click to tweet](#): Access to a safe abortion is an economic issue that affects everyone. Lack of access to abortion = fewer founders starting companies #abortion
2. [Click to tweet](#): Abortion is healthcare, and banning any kind of healthcare is bad for the economy. #abortion
3. [Click to tweet](#): Abortion is an economic issue that affects \*everyone\*, including men. When young men cannot access abortion for their partners, they're 4x more likely to drop out of high school. #abortion
4. [Click to tweet](#): Everyone loves someone who's had an abortion. #abortion
5. [Click to tweet](#): I love someone who's had an abortion. #abortion

### Instagram / LinkedIn assets:

1. [Abortion is healthcare](#)
  - a. Caption: Abortion is healthcare, and healthcare is a human right. Banning any kind of healthcare is bad for the economy. Did you know that when access to abortion is restricted, both women \*and\* men drop out of high school and college at much higher rates? Lack of access to safe abortions affects \*everyone.\* #abortion
  - b. Caption: Abortion is healthcare, and healthcare is a human right. #abortion
2. [Abortion is an economic issue](#)
  - a. Caption: Abortion is healthcare, and healthcare is a human right. Banning any form of healthcare is bad for the economy. Did you know that when access to abortion is restricted, both women \*and\* men drop out of high school and college at much higher rates? Lack of access to safe abortions affects \*everyone.\* #abortion
